***Por favor traiga los materiales durante Screening or Smart
Start*(Smart Start-13-15 de agosto)**

Dear Parents/Guardians,

Welcome to first grade! We cannot wait to get to know your child and your family this year! In order to do this, we encourage open communication between families and teachers. If you have any questions or concerns, please feel free to contact us through the school at 610-419-3120, and we will also plan to contact you with questions or concerns as well! Our preferred form of communication during the school year will be Class Dojo, so be sure to look for the Class Dojo sign up paper to be sent home on the first day of school ☺

There are many exciting activities and fun learning adventures planned for this year. First grade is an important developmental year where we encourage our students to grow socially and academically. Your child will build social skills and relationships, problem solving and decision-making skills, work habits, as well as reviewing and building on your child's current knowledge.

In order for our school year to go smoothly, we will need some classroom essentials. Oftentimes we need class sets of items in order to successfully carry out our lessons, so all of the supplies included on this list will be for classroom use (not individual use). Any supplies that you can provide are much appreciated and will count towards volunteer hours. We are looking forward to a wonderful first grade year!!

WELCOME

Sincerely,

Miss. Nicole Terefinko and Mrs. Sacha Rosado
The First Grade Team

- Crayons- packs of 24 crayons are preferred
- Markers
- Sharpened pencils-NO mechanical pencils please
- Erasers – please no eraser caps
- 2 folders, of any color or design, that are clearly labelled with your child's name
